A first-person perspective shot of a person lying on a white spa bed. Their legs are spread apart, showing detailed black ink tattoos on the inner thighs and lower legs. The tattoos include a large, intricate design on the left thigh and a similar, though less complete, design on the right. The person's feet are visible at the top of the frame, with a thin copper-colored bracelet on the right ankle. The background is softly blurred, showing warm, out-of-focus lights, suggesting an indoor spa or hotel setting.
